To get started, open the Microsoft Word document **RHA TN-RCORP Drug Take-Back Event Flyer Template.docx**. *The graphic will appear geyed out while editing.*

- 1 Edit the Date & Time:** To edit the date and time of your event, click on the text box, select the text, and begin typing. The box is pre-populated with **April 22, 2023** and **10AM - 2PM**.
- 2 Edit the Locations:** To edit the locations of your event, click on the text box, select the text, and begin typing. The box is pre-populated with **Sample Location** and **Address**.
- 3 Edit the Image Placeholders:** To edit image placeholders, right-click on the image placeholder box, select **change picture**, and choose the image(s) you'd like to use, or delete the box(es).

Resource Reminder: Download the [Prescription Drug Take-Back Toolkit: A Community Guide to Diversion Control & Pharmacy Engagement](#). The Toolkit provides action plans, best practices, examples, and materials for pharmacies and community-based organizations when implementing the following SUD-reducing strategies/approaches:

Strategy #1: Prescription Drug Take-Back Events

Strategy #2: Permanent Collection Sites in Pharmacies

Strategy #3: Community Engagement in the Prevention of Opioid Misuse

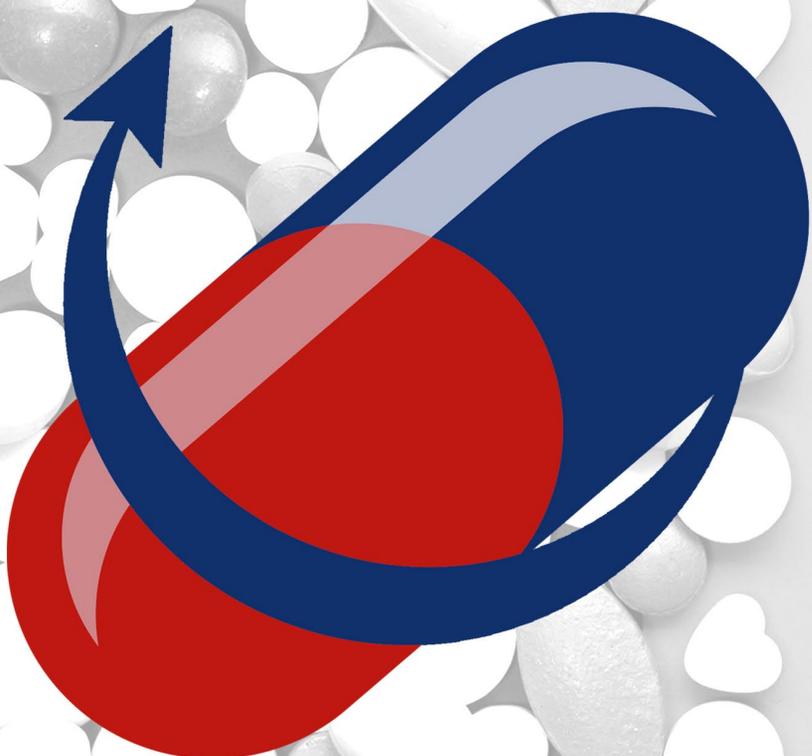

Save and print your work.
Please see the next page for a completed example.
