Flights for People in Need

LIFELINE PILOTS

the shortest distance between home and hope

Our mission is to facilitate **FREE** air transportation for children and adults with medical and humanitarian needs.

Thanks to incredible volunteer pilots and donors, our flights are offered completely **FREE** to the passenger and care-giver/companion.

We serve everyone from babies to senior citizens. With more than 8,000 missions flown, LifeLine Pilots has made a lasting difference in the lives of thousands of individuals and families.
