Tennessee Serves Network

Volunteer Tennessee, the state commission on volunteerism and service has established the Tennessee Serves Network to engage more Tennesseans in volunteer service. The network is a statewide collaboration of volunteer centers dedicated to bringing people and community together through an online volunteer portal.

And, now your organization can engage potential volunteers through this statewide system!

- Integrate opportunities with your social media platforms
- Increase awareness of volunteer needs with statewide exposure
- Generate useful reports on volunteer data and opportunities

We look forward to partnering with you to involve more Tennesseans in opportunities of service!
